

ABIDE WITH ME

Abide with me; fast falls the eventide;
The darkness deepens; Lord with me abide.
When other helpers fail and comforts flee,
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;
Earth's joys grow dim; its glories pass away;
Change and decay in all around I see;
O Thou who changest not, abide with me.

MAKE ME A CHANNEL

Make me a channel of your peace.
Where there is hatred let me bring your love.
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.

Make me a channel of your peace
Where there's despair in life, let me bring hope
Where there is darkness, only light
And where there's sadness, ever joy.

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.

Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all that we receive
And in dying that we're born to eternal life.

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.

Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all that we receive
And in dying that we're born to eternal life.

EXHORTATION

They shall grow not old,
as we that are left grow old:
Age shall not weary them,
nor the years condemn.

At the going down of the sun
and in the morning

We will remember them
